

The Crimson Dragon

Black Funeral

Mother darkness
bringer of the blood chalice
elixir of Lilith and Cain
Graves opening... sorceries in blood
The Grimoire is opened
Asmodeus, double wisdom in the fire
I evoke this serpentine presence
ascend and deceive.
Those of the false light
return to the frost of the night
the circle contains the spirit
fed with blood fresh from the wound
I shall walk this earth again
the circle means nothing
Mother Darkness
bringer of the blood chalice
elixir of Lilith and Cain.
Speak your invocations
the names of power
the Dragon is loosed again
Ancient ones rise...
