

# Lonely

Black Grape

I've been lonely for so long  
Don't seem like happiness will come along  
I've been lonely for so long  
Don't seem like happiness will come along

These ain't rain clouds over my head  
Everybody's throwing rocks in my bed  
Just can't seem to get ahead in life  
Ooh, nothin' I do ever turn out right  
Won't somebody help me, please

'Cause I've been lonely for so long  
Don't seem like happiness will come along  
I've been lonely for so long  
Don't seem like happiness will come along

I lay awake every night  
Tryin' to figure out how to make things right  
There's got to be a better way I know  
To shake this monkey off 'cause he's makin' me so  
Won't somebody help me, please

'Cause I've been lonely for so long  
Don't seem like happiness will come along  
I've been lonely for so long  
Don't seem like happiness will come along

Yes, I know what it feels like to be lonely  
To have your friends turn their backs on you, yes I've been lonely  
To never know the real meaning of peace of mind, yes

I lay awake every night  
Tryin' to figure out how to make things right  
There's got to be a better way I know  
To shake this monkey off 'cause he's makin' me so  
Won't somebody help me, please

'Cause I've been lonely for so long...
