## Black Grape

Why you say yes when you know you mean no?  
Then you say you will but you won't  
And all you gonna do but you don't  
Why you say yes when you know you mean no?  
Then you say you will but you won't  
And all you gonna do but you don't  
You say that you know but you don't know

I can smell your funk through the window  
And I know when you're busy and you're ??  
I know you swap a kidney for a stone  
Well I saw you swap a kidney for a phone  
Well

(Na na na na na na na na na)  
(Na na na na na na na na na na na na)

Why you say yes when you mean no?  
Why you say yes when you know you mean no?  
Why you say yes when you mean no?  
Why you say yes when you know that you know?

Why do you say yeah when you mean no?  
I can't even smell the smell through the window  
Why do you say you will but you won't?  
And if you gotta get out then don't

(rap)

Blast off my talk  
She selling candy for rocks

(Na na na na na na na na na)  
(Na na na na na na na na na na na na)

Why you say yes when you mean no?  
Why you say yes when you know you mean no?  
Why you say yes when you mean no?  
Why you say yes when you know that you know?

Snake eyes, foretold  
Step to the gate cause we know you're telling lies  
Snake eyes, foretold  
Step to the gate cause we know you're telling lies

Snake eyes, foretold  
Step to the gate cause we know you're telling lies  
Snake eyes, foretold  
Step to the gate cause we know you're telling lies

Why you say yes when you mean no?  
Why you say yes when you know you mean no?  
Why you say yes when you mean no?  
Why you say yes when you know that you know?

Why you say yes when you mean no?  
Why you say yes when you know you mean no?

Why you say yes when you mean no?  
Why you say yes when you know that you know?
