

Power in the Blood

Black Kids

Bah, bah, bah, bah
Bah, bah, bah, bah
Bah, bah, bah, bah
Bah, bah, bah, bah

Here's a feather for your cap
You found a lover who won't hit back
You know that I was brought up shy
Taught power in the blood
But you say it's only wine

I caught you playing with my pleasure zone
You're the greatest sinner that I've ever known
You always kill me when you purr
Boy, I'm gonna be your idolator, oh!

I want so much to suck your blood

Bah, bah, bah, bah
Bah, bah, bah, bah
Bah, bah, bah, bah
Bah, bah, bah, bah

Here's a feather for your cap
You found a lover who won't hit back
You know that I was brought up shy
Taught power in the blood
But you say it's only wine

I caught you playing with my pleasure zone
You're the greatest sinner that I've ever known
You always kill me when you purr
Boy, I'm gonna be your idolator

I want so much to suck your blood
I want so, so much to suck your blood

I want so much to suck your blood
I want so, so much to suck your blood
