Here's a feather for your cap You found a lover who won't hit back You know that I was brought up shy Taught power in the blood But you say it's only wine

I caught you playing with my pleasure zone You're the greatest sinner that I've ever known You always kill me when you purr Boy, I'm gonna be your idolator, oh!

I want so much to suck your blood

```
Bah, bah, bah, bah
Bah, bah, bah, bah
