

Way Into Leather

Black Kids

Everything you say is obscene
Everything you do is a dream, I've witnessed
I don't mean to be disgusting baby, maybe
I just want your love

I don't wanna cry
And you don't wanna die a virgin
I don't mean to be untoward or forward
I just want your love

Way into leather
I'm good into feathers

I don't mean to be disgusting baby, maybe
I just want your love

You blame me, slut-shame me
You wanna nag me, but then you beg me
Yeah you beg me to stay

Everything you say is obscene
Everything you do is a dream, I've witnessed
I don't mean to be disgusting baby, maybe
I just want your love

Way into leather
I'm good into feathers

I don't mean to be disgusting baby, maybe
I just want your love
I just want your love
I just want your love
