

# You Turn Me On

Black Kids

Back of the woods with the fire glowing  
Behind the barn, burning slowly  
Set the fire, set the timber  
Burn it down to ash and cinder

Turn me on dead man (x10)  
Oh, you turn me on

Back of the house, down the steps  
Under the cellar door we crept  
Brought the doors, brought the windows  
Set a match to scarecrow tinder

Turn me on dead man (x10)  
You turn me on

Out of my head  
Out of my tree  
Out of my stuff drip out of me

Burn down the house  
Burn down the barn  
Burning down the entire farm  
Cross the fields, fallow garden  
Watch the scarecrow, forever autumn

Turn me on dead man (x10)  
You turn me on

(To be done?) we'll keep our bargain  
You and I forever autumn

Turn me on dead man (7x)  
You turn me on  
You turn me on  
Turn me on dead man
