

## bottomless sea

Black Lab

Wonder if this is the light at the end  
Wonder if this is the water closing in  
I won't let myself drown here  
But I can't keep my head up no more  
I'm looking for something to hold  
And the strength to hold on

Here you are  
You'll sink in this bottomless sea  
Praying out  
You'll sink in this bottomless sea  
You'll break on it  
These hard waters

Praying now for the hours to run  
Pray to god for the daylight to come  
And I go over the wall  
Down past the drive  
Up to the cliffs  
Follow me outside

Here you are  
You'll sink in this bottomless sea  
Praying out  
You'll sink in this bottomless sea  
You'll break on it  
Calling out for mercy  
These hard waters  
Floating far out on this sea  
On this sea

Let's try to see the loss as part of life  
Instead of life as something I lost  
see the loss as part of life  
Instead of life as something I lost  
see the loss as part of life  
Instead of life as something I lost  
see the loss as part of life  
Instead of life as something I lost  
see the loss as part of life  
Instead of life as something I lost

Here you are  
You'll sink in this bottomless sea  
Praying out  
You'll sink in this bottomless sea

Here you are (See the loss as part of life)  
You'll sink in this bottomless sea (Instead of life as something I lost)  
Praying out (See the loss as part of life)  
You'll sink in this bottomless sea (Instead of life as something I lost)  
You'll break on it  
Calling out for mercy  
These hard waters  
Floating far out on this sea  
On this sea
