

Put your hair up
I can't take it when you let it down
I can't stand it
Can't keep my hands off of it
My eyes are like spiders on you
I'm creepin out of my skin
And into yours again
Have mercy, have mercy
There's already somebody
Sleepin in my bed

I know you, I know you
You want me for yourself
But I am free
I know you, I know you
You want me on your shelf
But I am free

You bath me
You know how to torture me
You keep me in my corner
Like a boxer who's finger are crushed
From the touch of your lust

I know you, I know you
You want me for yourself
But I am free
I know you, I know you
You want me on your shelf
But I am free
I am free!

If I call, don't waste my time
If I call, don't waste my time
Don't waste my time...
Don't waste my time...

Yeah
I know you, I know you
You want me for yourself
But I am free
I know you, I know you
You want me on your shelf
But I am free
I know you, I know you
You want me on my knees
But I am free
I know you, I know you
You want to take your piece
But I am free
I'm free, I'm free
I'm free, I'm free
