

## Turn Away

Black Lab

I can hear you upstairs getting dressed now.  
Banging your stuff around.  
I wonder why I'm so scared.  
Are you gonna leave me leave me now?  
Turn away.  
I can't turn away.  
All I see is rapture in your eyes.  
Turn away.  
I can't turn away.  
All I need is one more sunrise.  
And my grace pray for me.  
Pray for all of us.  
Now that I can see I'll be yours for good.  
Yours for always.  
Open always inside.  
Turn away.  
I can't turn away.  
All I see is rapture in your eyes.  
Turn away.  
I can't turn away.  
All I need is one more sunrise.  
Stories get old say something new.  
Something that's borrowed something taboo.  
Dying without it.  
Life on the tablet.  
Facing that I can't turn away.  
I can't turn away.  
Can't turn away.  
Can't turn away
