Funeral Bell

Black Label Society

Drinking, drugged up, completely shot to hell Left behind, aint nothing left to sell Oh, aint nothing left to sell

The hatred of your blood So tortured, so insane Dead ends, lost hope Keep running through your veins Oh, running through your veins

Ohhhhhhh So high, and then I fell Ohhhhhhh Can't stop the ringing of my funeral bell

The loss of one's self Inside the wheel of doom Genocide is coming way too soon. Oh, way too soon

The undying fear The strength of one's demise Broke and strung out You wave yourself goodbye Oh, goodbye

Ohhhhhhh So high, and then I fell Ohhhhhhh Can't stop the ringing Ohhhhhhh So high, and then I fell Ohhhhhhh Can't stop the ringing of my funeral bell
