House of Doom

Black Label Society

Take all that you can Take it all I know you'll do it again Rape, rape me again I'll take the fall I know you'll do it again

Oh, another truth And there's nowhere you can hide Oh, in this house of doom No one gets out alive Oh, once you step inside No one gets out alive

You lie, and you lie again You've got your plans And you sure ain't no friend Oh, there ain't no turning back They say "you reap what you sow" Hell, if that ain't a fact!

Oh, another truth And there's nowhere you can hide Oh, in this house of doom Ain't no one gets out alive Oh, once you step inside No one gets out alive

Oh, another truth And there's nowhere you can hide Oh, in this house of doom Ain't no one gets out alive Oh, once you step inside No one gets out alive
