## **Road Back Home**

I look around I see that time ain't changed Same old faces, Same old names All the things we thought we knew You lied to me & I lied to you (Now) All this time You never sympathize All this time I can't find my way back inside What you give is what you get But you drew the line on me baby Tears falling free but you can't see (child) I'm just a touch away baby

Tell me where am I now (oh-o) Why, where & how Show me the road back home (oh-yeah) Tell me where am I now (oh-o) Why, where & how Show me the road back home, back home

The pain blew in like a hurricane Stranger in this town bearing your name Trapped in the silence with my memories It's cutting me deep & it's tellin' me

All this time You never sympathize All this time I can't find my way back inside

Going nowhere & I'm headed there fast & I don't mean maybe The light is getting low & my touch is growing cold Oh just hold me baby

Tell me where am I now (oh-o) Why, where & how Show me the road back home (oh-yeah) Tell me where am I now (oh-o) Why, where & how Show me the road back home, back home

What you give is what you get But you drew the line on me baby Tears falling free but you can't see (child) I'm just a touch away baby

Tell me where am I now (oh-o) Why, where & how Show me the road back home (oh-yeah) Tell me where am I now (oh-o) Why, where & how Show me the road back home, back home
