Forkboy

Black Light Burns

A fork is a cold shiny tool To pierce, tear and ingest Whoever has the fork in hand Controls the meal of its choice We're told the first few punctures They're for our own good Better carved up in pieces Than blown up in the oven Forkboy Forkboy Forkboy Forkboy Flies by night on stolen fuel To Santa Rosa, CA Opens a fake employment office "Want a job? Go get me drugs" People desperate for work Return to quite a surprise Busted for intent to sell Cops pay him a bounty Forkboy skips town We came We peed We conquered You bleed The choice: Forkboy Or finger food Ugly joy What does it replace? Why wait When you can eat Forkboy Forkboy Forkboy Yourself alive today Junk bondage takeover glutton Ready to bore in Unfold his rotary blades inside Pull the guts out and resell them Buys out his next target With the last one's pension funds Thousands more thrown out of work So Leona won't have to settle for a mint Forkboy Picked by the FBI To be the black pied piper After Dr. King died Watches soap operas on TV While 6 billion disappears from HUD Who are you working for What did you hope to gain Why do you hate your past

So much you destroy The ones you love

Fork-boy
