

## Crying on a Plane

Black Lips

I think I lost it  
But I don't know why  
I feel so exhausted  
Feel like I'm gonna die  
Can't stop this sobbing  
Rom comes cracking me up tonight  
They cut me off wine yeah  
They cut me off, I'm gonna have to  
Take this plane off the sky  
Man can really fly

I can't stop crying on a plane  
The steward thinks I'm insane  
God put a mirror in the sky  
So we can look at how dumb we are

I think my spirit's melted  
Thinking of all my crimes  
I really felt it  
They gave me bread and cheese with my whines  
I've never been so anxious  
I think I'm insane tonight  
I didn't think I could make it  
Even if I really tried, take this plane down tonight

I can't stop crying on a plane  
The steward thinks I'm insane  
God put a mirror in the sky  
So we can look at how dumb we are

Can't stop crying on a plane  
The steward thinks I'm insane  
God put a mirror in the sky  
So we can look at how dumb we are

Can't stop crying makes me pray  
The sound's not even on  
Drowning in the aisles  
Sobs like a little child  
Crying  
Crying...
