

Veni Vidi Vici

Black Lips

Mirror mirror on the wall
Who's the greatest of them all
My man, Muhammad, Boy Jesus too
Who's Messiah be good for you

Cause I came I saw
I conquered all
All ya'll, all ya'll, all ya'll

People look towards Mecca's way
Sistine Cahpel people pray
It don't matter what you do
Holy World War will come for you
