

Please stop all of this strange fantasy
This is now who you are, not who you want to be
Not who I want you to be, you were once so kind
Please remove these thoughts, remove them from your mind
For they are a disgrace to yourself and your family
If not, I'll have to make

So self-righteous, do not lie
What a contradiction, an eye for an eye
But you are just too lazy, it is purely fantasy
And it takes so quick, everyone joins in
And it is condemned, it is a sin, it is a sin
