

I'm The King

Black 'N Blue

I won't leave you any choice
Won't give you any voice
I'm gonna take this city for my own by force
Oh, oh, oh, I hear it on the radio
That could mean the scene to send your ace
Oh, oh, oh, I think about it, don't you know
Everybody needs to realize

That I want you, want you
It's time for you to know that

I'm the king of the concrete jungle
I'm the king of the concrete jungle
Whoa, I'm the king of the concrete jungle
I'm the king of the concrete jungle

I won't need no one alive
If I want you to survive
It's only 'cause I want you for myself
Said, hey, hey, hey

I'll give it to you everyday
I could really see us in debase
Said, hey, hey, hey
I'll give it to you everyday
I'm too hot to bond a colder place

And I want you, want you
It's time for you to know that

I'm the king of the concrete jungle
I'm the king of the concrete jungle
Oh, I'm the king of the concrete jungle
I'm the king of the concrete jungle

Oh, yeah
Well, I'm the king of this concrete jungle, oh

I'm the king, I'm the king
I'm the king, I'm the king
I'm the king, I'm the king
I'm the king
I'm the king of this concrete jungle, you know
