

One For The Money

Black 'N Blue

Well, I'm lookin' for a honey
We're gonna have a good time
Need a dirty little cherry bomb
She's gonna blow my mind
Ain't got a lot of patience
Ain't got a lot to say
I'm feeling like a shotgun
Gonna blow you away

If she ain't lookin' for love anymore
She better take me
And when I put my love through the door
She's gonna feel it

One for the money
And one for the road baby
Just give it to me honey
One for the money

Come on little lover
She knows I want to try her out
Wow, might have been a nuclear bomb
Gonna set this on fire now
Live it up baby
Blow your cares away
Don't care about the high price
How much I gotta pay

If she ain't lookin' for love anymore
She better take me
And when I put my love through the door
She's gonna feel it

One for the money
One for the road baby
Just give it to me honey
One for the money
Give it to me honey

(Lead break)

Well, I'm lookin' for a honey

She's gonna blow my mind
Ain't got a lot of patience
Ain't got a lot to say
I'm feeling like a shotgun
Gonna blow you away

If she ain't lookin' for love anymore
She better take me (she better take me)

One for the money
One for the road baby
Just give it to me honey
One for the money

One for the money
Give it to you honey
One for the money
One for the money, honey
