

## Rock On

## Black 'N Blue

I been here and I been there  
People look at me and stare  
They don't know where I come from  
Well, I seen this and I seen that  
And I don't care where they're at  
My heart's beatin' like a drum  
All I need to save my soul  
Is a dose of rock n roll  
We're all right  
The kids are burnin' bright  
Hey  
Rock On (Rock On)  
Sing it  
What goes up ain't never comin' down  
Hey  
Rock on  
I've been up and I've been down  
I've been all around this town  
People it's a human wasteland (what you say)  
I said oh yeah, alright  
Better stick with me tonight  
Welcome to the promised land  
All I need to save my soul  
Is a dose of rock n roll  
We're all right  
The kids are burnin' bright  
Hey  
Rock On (rock On)  
Sing it  
What goes up ain't never comin' down

Hey, hey  
Rock on  
(solo)  
Let me hear you now  
(Rock on)  
(Rock on)  
I been here and I been there  
People look at me and stare  
They don't know where I come from  
Well, I seen this and I seen that  
And I don't care where they're at  
My heart's beatin' like a drum  
We're all right  
The kids are burnin' bright  
Hey  
Rock on (rock on)  
Sing it  
What goes up ain't never comin' down  
Hey, hey  
Rock on  
We're all right  
The kids are burnin' bright  
Hey  
Rock on and on and on and on  
What goes up ain't never comin' down  
Hey...Rock on

We're all right  
The kids are burnin' bright  
Hey  
Rock on (rock on)  
Sing it  
What goes up ain't never comin' down  
Hey, hey  
Rock on
