

Sight For Sore Eyes

Black 'N Blue

You can take my money, don't got alot
Just need this woman who somehow got lost
Like Cinderella, she comes alive
Just about midnight she's the queen of my eyes
Everybody listen to me
I said everybody
I'm an animal
On automatic lookin' for this girl
I saw her face (I saw her face)
And my heart skipped a beat
(That's all I need)
She's such a sight for sore eyes
Sight for sore eyes
Sight for sore eyes
I like it
I'm very good, I get no complaints
God's gift to women so they call me the saint
I'm red hot, set to go
Feelin' a little like Geronimo
Ooh, I'm still lookin' for that woman
Everybody
Hear what I say
I'm gonna rock you all night
(Rock you all night)
I saw her face (I saw her face)
And my heart skipped a beat

That's all I need
Everybody needs a sight for sore eyes
Hey hey
I got to tell ya know
Hey hey
I want you know
You're such a sight for sore eyes (everybody)
Sight for sore eyes
Sight for sore eyes (it's alright, it's alright)
Sight for sore eyes
So fine
Here we go
I saw her face (I saw her face)
And my heart skipped a beat
That's all I need
Everybody she's a sight for sore eyes
Hey hey
I got to tell ya know
Hey hey
I want you know
You're such a sight for sore eyes
Everybody she's a sight for sore eyes
Sight for sore eyes
Everybody she's a sight for sore eyes
Hey, Hey, Hey, hey
You're such a sight for sore eyes
Oh yeah
Everybody, she's a sight for sore eyes
