

# Swing Time

Black 'N Blue

Everyone in the town  
Is gonna get together, gonna bring the house down  
You and me, we'll have some fun  
Instead of getting ready and the night is young

Come on, let's hit the big time  
You can't sit home alone  
We'll leave the rat race all behind  
And go wake up the old folks' home

We're going to shake to beat the band  
We'll get in the mood  
I'll be the one to show you how  
It's swing time now  
Getting ready, baby  
It makes you feel so good  
So come on, take a bow  
It's swing time now

Shake a leg, get out of bed  
We're jumpin' at the chance  
We're gonna paint the town red  
Place to be is here with me  
See ya later, alligator, hello, swing city

Come on, let's hit the big time  
You can't sit home alone  
We'll leave the rat race all behind  
And go wake up the old folks' home

We're going to shake to beat the band  
We'll get in the mood  
I'll be the one to show you how  
It's swing time now  
Getting ready, baby  
It makes you feel so good  
So come on, take a bow  
It's swing time now, hey!

Wa-hoo!

We're going to shake to beat the band  
We'll get in the mood  
I'll be the one to show you how  
It's swing time now  
Getting ready, baby  
It makes you feel so good  
So come on, take a bow  
It's swing time now

So come on, take a bow  
It's swing time now  
I'll be the one to show you how  
It's swing time now, look out!
