

Wicked Bitch

Black 'N Blue

She sold my pack, she sold our tack
Wicked bitch!
She's in my brain, am I insane?
Wicked bitch!
Every time I turn around
Got across in another town
Even so, is that your draw?
Wicked bitch!

When I get hot, she turns so cold
Your evil way burns my soul

You're a wicked bitch
Yeah, yeah, wicked bitch
You got my life in the blade of a switch
You wicked bitch

She never told her love was cold
Wicked bitch!
A single thought, your mind will rot
Wicked bitch!
Problems almost every night
She's got to whet her appetite
A little bite she's got to take, ow!
Wicked bitch!

When I get hot, she turns so cold
Your evil way burns my soul

Wicked bitch
Yeah, yeah, wicked bitch
You got my life in the blade of a switch
You wicked bitch

You are a wicked bitch
Yeah, yeah, wicked bitch
You got my life in the blade of a switch
You wicked bitch

Whoa, yeah!

When I get hot, she turns so cold
Your evil way burns my soul

Wicked bitch
Yeah, yeah, wicked bitch
You got my life in the blade of a switch
You wicked bitch, ow!

Wicked bitch
Yeah, yeah, wicked bitch
You got my life in the blade of a switch
You wicked bitch, ooh, yeah!

You got my life in the blade of a switch
'Cause you're a wicked bitch!
