

# Too Hot To Stop

Black Oak Arkansas

Don't tell me no when your eyes say go  
I can give it to ya fast, I can give it to ya slow  
You turned on my heart, you wanted to play  
We've gone this far, gotta go all the way  
When I feel the heat deep down inside  
The sweat of love makes it slip and slide  
The fire starts burnin', you gotta let me in  
Lustin' for the touch of warm, wet skin

I'm too hot, I'm too hot  
I'm too hot, too hot to stop  
I'm too hot, I'm too hot  
I'm too hot, too hot to stop

Like a freight train engine comin' down the track  
We're right on time so don't hold back  
Keep on pushin', push down girl  
Don't stop now, let's go around the world

I'm too hot, I'm too hot  
I'm too hot, too hot to stop  
I'm too hot, I'm too hot  
I'm too hot, too hot to stop

Don't tell me no when your eyes say go  
I can give it to ya fast, I can give it to ya slow  
You turned on my heart, you wanted to play  
We've gone this far, gotta go all the way

I'm too hot, I'm too hot  
I'm too hot, too hot to stop  
I'm too hot, I'm too hot  
I'm too hot, too hot to stop

I'm too hot, I'm too hot  
I'm too hot, too hot to stop  
I'm too hot, I'm too hot  
I'm too hot, too hot to stop

I'm too hot, I'm too hot  
I'm too hot, too hot to stop  
I'm too hot, I'm too hot  
I'm too hot, too hot to stop

I'm too hot, I'm too hot  
I'm too hot, too hot to stop  
I'm too hot, I'm too hot  
I'm too hot, I'm too hot

I'm too hot, I'm too hot  
I'm too hot, too hot to stop  
I'm too hot, I'm too hot
