

Ridin' around in fancy car, feelin' like a superstar
But it ain't the same 'cause you're not here
Chillin' in the VIP, twenty bottles just for me
As far as anyone can see that I'm unhappy

Sometimes I feel like I don't belong
Just take me back home to the place I was born, born
It's been a while since I left home
Just take me back home to people I know

Balling out at the mall, pretty girls that I can call
But it ain't the same without you here
Tryna chill at the beach but I can't seem to find no peace
'Cause you ain't here

Take a walk down memory lane
Basketball and video games
But things just ain't the same
Take a walk down memory lane
Basketball and video games
But things just ain't the same
(Ain't the same, ain't the same)

Sometimes I feel like I don't belong
Just take me back home to the place I was born, born
It's been a while since I left home
Just take me back home to people I know

Just take me back, yeah
Hey, just take me back, yeah, yeah, yeah, yeah
Just take me back, yeah
Hey, just take me back, yeah, yeah, yeah, yeah
Just take me back, yeah
Hey, just take me back, yeah, yeah, yeah, yeah
Just take me back, yeah
Hey, just take me back, yeah, yeah, yeah, yeah

Leavin' was the hardest, but home is where the heart is
I need you here to change the game
Leaving was the hardest but home is where the heart is
Without you here it ain't the same, it ain't the same

Sometimes I feel like I don't belong
Just take me back home to the place I was born, born
It's been a while since I left home
Just take me back home to people I know
