Pick up the phone when I call you, uh  
Pick up the phone when a real one call you  
Real one call you, uh, call you, real one call you  
Pick up the phone when I call you, uh  
Pick up the phone when a real one call you  
Real one call you, uh, call you, real one call you

Hit my hotline (Hotline)  
Call me anytime, any day  
I am just a call away  
My hotline (Hotline)  
Call me anytime, any day  
I am just a call away

Ring my line up whenever you need me  
I'll travel through the FaceTime  
Pull up on you easy  
Caking on the phone with you all night  
Talking 'bout some, "If you hold me down, get anything you want  
"

Pick up the phone when I call you, uh  
Pick up the phone when a real one call you  
Real one call you, uh, call you, real one call you  
Pick up the phone when I call you, uh  
Pick up the phone when a real one call you  
Real one call you, uh, call you, real one call you

Look, I'm tired of texting, I need to see you now  
I just touched down and I just called me a car  
On the way right now, on the way right now  
Baby, come outside, I'm on your side of town  
I know you seen me calling, pick up for me now (Uh)
