bLACK pARTY

I put a spell on you because you're mine
I put a spell on you, I swear it works every time
I put a spell on you, I put a spell on you because you're mine
And I swear it works every time, yeah
I put a spell on you because you're mine
I put a spell on you, I swear it works every time
I put a spell on you, I put a spell on you because you're mine
And I swear it works every time, yeah

Every time I leave, I be on your mind
Only just a touch, I can send shivers down your spine
Have you [?]
But once you're in my web, ain't no gettin' out

I put a spell on you because you're mine
I put a spell on you, I swear it works every time
I put a spell on you, I put a spell on you because you're mine
And I swear it works every time, yeah
I put a spell on you because you're mine
I put a spell on you, I swear it works every time
I put a spell on you, I put a spell on you because you're mine
And I swear it works every time, yeah

When I'm around I make the goosebumps rise
I can tell that you [?], look in your eyes
With just a kiss you were mesmerized
And now you're in my web, ain't no gettin' out
Because you're mine

I put a spell on you because you're mine
I put a spell on you, I swear it works every time
I put a spell on you, I put a spell on you because you're mine
And I swear it works every time, yeah
I put a spell on you because you're mine
I put a spell on you, I swear it works every time
I put a spell on you, I put a spell on you because you're mine
And I swear it works every time, yeah
