

# You

bLACK pARTY

I'm up late  
I can't sleep  
I see you in my dreams  
'Cause I'm  
Thinkin' bout you  
Thinkin' bout you  
Thinkin' bout you  
And every time you go away, I hope that you're okay  
'Cause I'm  
Thinkin' bout you  
Thinkin' bout you  
Thinkin' bout you

I'm up late and I can't sleep  
I've been thinkin' bout the past  
Should've known we'd break up  
'Cause, we're made of glass  
Nothing's forever, but  
We could've made it last  
Said things that hurt you, but  
I can take them back

I've been thinkin' bout you daily, praying that you are fine  
Thinkin' I should call you, because you're on my mind  
I've been thinkin' bout you daily, thinkin' bout all the times  
When I used to be yours, and you used to be mine

I'm up late  
I can't sleep  
I see you in my dreams  
'Cause I'm  
Thinkin' bout you  
Thinkin' bout you  
Thinkin' bout you  
And every time you go away, I hope that you're okay  
'Cause I'm  
Thinkin' bout you  
Thinkin' bout you  
Thinkin' bout you

Yeah I know that  
I left you so neglected  
You don't know what you got  
Til it's gone  
Even though that  
I was so forgetful, I remember you like my favorite song

I've been thinkin' bout you daily, praying that you are fine  
Thinkin' I should call you, because you're on my mind  
I've been thinkin' bout you daily, thinkin' bout all the times  
When I used to be yours, and you used to be mine

I'm up late  
I can't sleep  
I see you in my dreams  
'Cause I'm  
Thinkin' bout you

Thinkin' bout you  
Thinkin' bout you  
And every time you go away, I hope that you're okay  
'Cause I'm  
Thinkin' bout you  
Thinkin' bout you  
Thinkin' bout you
