

Christmas Will Really Be Christmas

Black Pumas

Christmas will really be Christmas
When folks are happy everywhere
Christmas will really be Christmas
When there's laughter for everyone to share

When people can get with each other, yeah
When peace on earth has come to stay
Christmas will really be Christmas
With the whole world in a better way

When parks are filled with the joy, yeah
Instead of worrying, worrying and fear
That's when the words "Merry Christmas!"
Will be so much more sincere, come on

Say, Christmas ain't Christmas till the world smiles again
Everybody knows Christmas ain't Christmas till the world smiles
again
Christmas ain't Christmas till the
Christmas ain't Christmas till the
Christmas ain't Christmas till the world smiles again

So let's all keep hoping in pain and doubt
The time will soon be coming where, oh
Christmas will really be Christmas
And the whole world will smile again
Christmas will really be Christmas
And the whole world will smile again
Christmas will be
