

Tomorrow

Black Pumas

All I wanna do is breeze
Take me to the cinnamony sea
Out on the edge of tomorrow, yeah
I put my keys in the ignition
'Cause I'm no longer waiting, wishing
For the edge, yeah

All I wanna do is see
Everything there is to see
Out on the edge of tomorrow
Put me on the road less traveled
Aptly now back in the saddle
To the edge

'Cause all I wanna do is go somewhere, yeah
Oh, honey bee, yeah, to be somewhere tomorrow
All I wanna do is, mm-mm-mm-mm, yeah
All I wanna do is, mm-mm-mm-mm, yeah

It's all I wanna do is be
Everything I'm supposed to be
Out on that edge of tomorrow
Put the keys in the ignition
I'm no longer waiting, wishing
For the edge

Wanna see myself go somewhere, yeah
Oh, honey bee
In my mind, in my heart, in my soul, let me shine, let me go, let me
shine in my soul and my spirit
To be somewhere tomorrow
I just wanna go somewhere, yeah, yeah
Oh, honey bee
To be somewhere tomorrow, yeah

All I wanna do is, mm-mm-mm-mm
Yes, all I wanna do is, mm-mm-mm-mm
All I wanna do is, mm-mm-mm-mm

Oh, to be somewhere, oh, tomorrow
My mind, in my heart, in my soul, let me shine, let me go, let me shi
ne in my soul and my spirit
I wanna, I wanna go somewhere oh, oh, oh, oh, I, tomorrow
My mind, in my heart, in my soul, let me shine, let me go, let me shi
ne in my soul and my spirit
To be somewhere tomorrow

When I sing it sounds like, mm-mm-mm-mm
All I wanna do is, mm-mm-mm-mm
In my mind, in my soul, let me shine, let me go, in my soul and my sp
