

And I'm Aching

Black Rebel Motorcycle Club

I can't wait for long my darling all I have to keep me strong
All I have will go, all I have will go
And I move on, and I move on
And I am aching, and I'm aching

I can't wait for long I'm sorry, all I have has left me gone
I can't stay for long I'm sorry, all that's left kept me strong
And I move on, and I move on
And I am aching, and I'm aching
And I move on
