And I'm Aching

Black Rebel Motorcycle Club

I can't wait for long my darling all I have to keep me strong All I have will go, all I have will go And I move on, and I move on And I am aching, and I'm aching

I can't wait for long I'm sorry, all I have has left me gone I can't stay for long I'm sorry, all that's left kept me strong And I move on, and I move on And I am aching, and I'm aching And I move on
