

# Tonight's With You

Black Rebel Motorcycle Club

(1, 2, 1, 2, 3, 4)

You couldn't doubt her  
You couldn't doubt her

Tonight  
Tonight's with you  
Tonight  
Tonight's with you

You couldn't die  
You couldn't die

Tonight  
Tonight's with you  
Tonight  
Tonight's with you

It's like a tear falling  
It's like a dream always  
It's like a dream gone away

Gone away  
Gone away  
Gone away

You couldn't love her  
You shouldn't wonder

Tonight  
Tonight's with you  
Tonight  
Tonight's with you
