

Early One Morning Blues (1969 Demo)

Black Sabbath

It was early one morning, I was, on my way to school
It was early one morning, I was, on my way to school
I met a magic woman, and she broke my teacher's rule
I'm in love with that woman, before I learn to call her name
I'm in love with that woman, before I learn to call her name
The way you treat me, is doggone insane
Yes, tell me baby, honey where you stayed last night
Yes, tell me baby, honey where you stayed last night
You didn't come home, darlin' untill the sun was shinin' bright

I'm in love with that woman, before I learn to call her name
I'm in love with that woman, before I learn to call her name
The way you treat me, is doggone insane
Yes, tell me baby, honey where you stayed last night
Yes, tell me baby, honey where you stayed last night
