

## Eternal Idol

Black Sabbath

No one said it had to be this way  
Why are we the victims of their  
Final word  
Dying world is killing us so slowly  
I believe no god may save us now

Can't you see what I see  
Sinners say your prayers tonite  
Your judgement day is here

Child tomorrow will die, not even  
Born Jesus our questions  
He never seems to hear  
Dying for the answers may be  
The price we pay, to find the  
Key to our lives  
Is there a heaven is there  
A hell  
Who's this god, tell me there's  
No god above, why  
We chose what lord, deep  
Within our souls  
He's not one thing  
We are his spirit  
We could save this world  
From destruction day

Can't you see what I see  
You and I victims of  
Their word  
As the master of power  
Try to poison our world  
Greed money taken over  
Their souls, you're  
Just mechanical brains  
Politicians don't know  
Just don't know  
We can change this world we  
Live in, don't let it die
