Wasp / Behind the Wall of Sleep / Bassically / N.I.B.

Black Sabbath

The intro to this song has a seperate title, it's called Wasp Precious cups within the flower deadly petals with strange power faces shine a deadly smile back up on you at your trial Chill and numbs from head to toe icy sun with frosty glow Why'd you go reaching your sorrow? why'd you go read no tomorrow Feel your spirit rise with the priest feel your body falling to its knees Take your walk of remorse take your body to a corpse take your body to a corpse take your body to a corpse if you want all remorse take your body to a corpse Now from darkness, there springs light Wall of Sleep is cold and bright Wall of Sleep is lying broken Sun shines in, you are awoken

it's gone!

Some people say my love cannot be true Please believe me, my love, and I'll show you I will give you those things you thought unreal The sun, the moon, the stars; all bear my seal

Oh yeah!

Follow me now and you will not regret Living the life you led before we met You are the first to have this love of mine Forever with me 'til the end of time

Your love for me has just got to be real Before you know the way I'm going to feel I'm going to feel I'm going to feel

Oh yeah!

Now I have you with me, under my power Our love grows stronger now with every hour Look into my eyes, you'll see who I am My name is Lucifer, please take my hand

Oh yeah!

Follow me now and you will not regret Leaving the life you led before we met You are the first to have this love of mine Forever with me 'til the end of time

Your love for me has just got to be real Before you know the way I'm going to feel

I'm going to feel
I'm going to feel

Oh yeah!

Now I have you with me, under my power Our love grows stronger now with every hour Look into my eyes, you will see who I am My name is Lucifer, please take my hand
