

## Assignment

### Black Sherif

Yeah, yeah, yeah

Big rapgod run the whole game nigga that's facts  
You ever see a nigga say he got it like me that's cap  
We be outside plotting how to get cheese from the rats  
I be outside plotting how to get a bitch on her back  
I'm only making slaps I'm only thinking racks  
Nigga that's facts  
I pull up and attack  
They tryna get me to relax  
I'm pushing this shit to the max  
I'm never around where they at  
Cos niggas is phony and wack  
They hate it when I'm in my bag  
But I'm in my bag every time  
So hate me is all that they have

Rapgod ne Amakye Dede trap star ya linki  
Ma pulli up with the bros  
Ade3 no varieties na y3 passi  
Mate s3 niggas y3 Dede  
3wo streets no so nso ma chilli  
Ma chilli ama obiaaa  
Ma base one side na me spliffi  
Zongo boy meny3 dede  
Obiaa ntumi nkyer3 me shege  
18 mu ha y3n na y3n ahyehy3 kehyire  
Egu mo tiri so y3 mo sete (pasaa)  
Killer boys mp3 Dede  
Ma ka akyer3 mo already  
Me maa mo assignment  
Mo nko bisa panyin nanso mo entie

Yeah  
Won't ever see me alone  
Cos I got the gang with me  
She wanna come visit my home  
Cos she tryna hang with me  
All we do is play our role make sure the plan nifty  
And then we go and chase the gold  
Even when the task risky  
Got Stan with me, he'll throw them hands if I say so  
We deep in the cut making moves on the hush  
Man it's really better when you lay low  
I knew I could rap way before I did tracks  
Been a god way before I did stables  
We came in this shit and we did it ourselves  
So we don't need a seat at the table

Yeah  
Rapgod ne Amakye Dede trap star ya linki  
Ma pulli up with the bros  
Ade3 no varieties na y3 passi  
Mate s3 niggas y3 Dede  
3wo streets no so nso ma chilli  
Ma chilli ama obiaaa  
Ma base one side na me spliffi

Zongo boy meny3 dede  
Obiaa ntumi nkyer3 me shege  
18 mu ha y3n na y3n ahyehy3 kehyire  
Egu mo tiri so y3 mo sete (pasaa)  
Killer boys mp3 Dede  
Ma ka akyer3 mo already  
Me maa mo assignment  
Mo nko bisa panyin nanso mo entie
