Black Stone Cherry

Your
You haven't seen anything like me, yet
I'm the best of your top ten
I'm the best of your worst nightmare

You wanted me
For your prized possession
Hey that's alright
Cause I'm a full time obsession
And that's why they call me
Bulldozer

I want your heart, I want your soul
You turn me on, I'm almost sold
I'm the flames of your own hell
I'm the high priest who's show and tell

You wanted me
For your prized possession
Hey that's alright
Cause I'm a full time obsession
And that's why they call me
Bulldozer

You wanted me
For your prized possession
Hey that's alright
Cause I'm a full time obsession
And that's why they call me
Bulldozer
