

# Die For You

Black Stone Cherry

I know tonight I will wrap myself around you  
In the moonlight  
I can feel your breath  
It makes me feel alive  
Alive  
I'm alive  
I'm alive

Are you willing to fight for me  
Are you willing to sacrifice  
Cause you know I would die for you  
I would die for you  
Are you willing to live for me  
Are you willing to sacrifice  
Cause you know I would die for you  
I would die for you

And I know tonight  
We will slowly lose ourselves  
In the moonlight  
I can hear your voice  
It makes me feel alive  
Alive  
I'm alive  
I'm alive

Are you willing to fight for me  
Are you willing to sacrifice  
Cause you know I would die for you  
I would die for you  
Are you willing to live for me  
Are you willing to sacrifice  
Cause you know I would die for you  
I would die for you

(Die for you)  
Are you willing to fight for me  
Are you willing to sacrifice  
(Die for you)  
Cause you know I would die for you  
I would die for you  
(Die for you)  
Are you willing to live for me  
Are you willing to sacrifice  
(Die for you)  
Cause you know I would die for you (I would die for you)  
I would die for you  
(Die for you)
