Me & The Devil Blues

Black Stone Cherry

It was early one morning
When you knocked upon my door
It was early one morning, yeah
When you knocked upon my door
I said hello Satan
I guess it's time to go

Me and the Devil
We was walkin' side by side
I said, me and the Devil
We were walking side by side
And I'ma, I'ma chase that woman
Till I get myself satisfied

Now let me, let me tell ya, let me tell ya we got a similar sit
uation, look
Now here's what she said; she said:
I don't see why you got to dog me around
I said listen, now baby you ain't doing me right right now
She said, I just don't see why you got to dog me around baby
'Cause girl you ain't been doing me right for a long time right
 now
So I guess we'll just blame it on
That old evil spirit in the ground

Well you can bury my body
Down by the highway side
You can bury my body
Down by the highway side
So my evil old spirit
Can get Greyhound bus and ride
Hey-hey
