

## Soulcreek

## Black Stone Cherry

Down by the river  
Where the lights hung from the trees  
Midnight swallows sunlight  
Muddy water runs between your knees

Everybody wants to be down at soulcreek

Yeah, yeah  
Baby won't you come with me  
Yeah, yeah  
Babe I wanna come with you

Such a sweaty situation  
Why don't you talk a walk with me  
Too hot  
Need some coolin'  
You know still water sure runs deep

Everybody wants to be down at soulcreek

Yeah, yeah  
Baby won't you come with me  
Yeah, yeah  
Babe I wanna come with you
