

Generation Mind

Black Swan

Runnin' around with your head in the clouds
Letting the day get the best of you
All kinda sounds
Like the ones that are drivin' you mad

All that you have is making you sad
When all that you wanted was everything
Look at you now and I'll show you how
You can get by on the little things

Oh! Somethin' to believe in
Oh! I want you to know
Oh! Lies can be deceivin'
No escapin' wherever you go

Losing time, isn't it a pity
This generation mind
Don't know why blame it on the city
Go on livin' a lie

Just say the word and I'll leave you alone
Change your address if you wanted to
Make a new friend
It's always dependin' on you

Turn it around turn it upside down
Find a new way new beginning
Make a new start why don't you follow your heart
No longer losing your winning

Oh! Somethin' to believe in
Oh! I want you to know
Oh! Lies can be deceivin'
No escapin' wherever you go

Losing time, isn't it a pity
This generation mind
Don't know why blame it on the city
Go on livin' a lie

My desire is neither right or wrong
If you choose to ride alone
You'd be better off than some

Oh! Somethin' to believe in
Oh! I want you to know

Losing time, isn't it a pity
This generation mind
Don't know why blame it on the city
Go on livin' a lie

This generation mind...
Go on livin' a lie...
