

# I Will Follow

Black Swan

Wherever you go  
Wherever you go  
Wherever you go  
I will follow

Life has taken its toll on me  
Time for letting it go  
Half the man that I used to be  
Someone that I don't even know

Now you have reached me  
I no longer fear for my soul

Wherever you go  
I will follow, I will follow you  
Wherever you go  
I will follow, I will follow

Feel the chill as the night bird sings  
Heard your voice in my head  
Life goes by like a door that swings  
Somewhere close to my bed

Deep in my nightmares  
Somewhere in the heavens alone

Wherever you go  
I will follow, I will follow you  
Wherever you go  
I will follow, I will follow

Sail away with me  
Far from this reality  
Escape, escape with me  
None of this will ever be

Wherever you go  
I will follow, I will follow  
Wherever you go  
I will follow, I will follow

Wherever you go  
I will follow, I will follow you  
Wherever you go  
I will follow, I will follow

I will follow  
Wherever you go  
I will follow  
I will follow
