

## Snake Charmer

Black Tusk

Slithering down  
From righteous skies  
Look in its eyes  
So divine

Nectar of gods  
Symbol of lust  
Knowledge of all  
Just out of grasp

Serpent of hell  
Satan  
Taste of the flesh  
Come down

Ignorant bliss  
Taste the sin  
Weakness of men  
Sacrifice

From my side  
In due time  
Opened my eyes  
Hunger for more

Charmed by the snake  
And thou be damned
