

Throwing rockstone upon a
dumper truck
Throwing rockstone upon a
dumper truck
Men standing over I and I and

Forcing jack hammers
through the concrete wall
That's the only way a dread
can make a bread
Satta dread satta you time soon
come

Throwing rockstone upon a
dumper truck
Throwing rockstone upon a
dumper truck

And dem work iniquity and a

We fling rockstone upon a

Throwing rockstone upon a

Packing up rockstone upon a
