F.E.A.R: Final Transmission

Black Veil Brides

This is to be our final transmission
The rebels have defeated our illustrious armies
They have damaged our intention of ugly and defiant malevolence
All that we love and care for will sink
Into the abyss of a new dark age

Made more sinister

And perhaps more protracted

By the light of perverted science and rebellion

The whole root and heavy core

Will perish in starving captivity

You will never win your freedom

You can not escape...
