Blackalicious

I be the analog arsonist, aimin at your arteries
All-seeing abstract, analyze everything
Adding on, absolutely abolishing
Average amateur's arsenal just astonishing

I be the big, bad body rockin Bombay to boulevard bully BACK
Better bring a bomb to the battlefield
Bloody black beats bringing bottoms that boom
Basically build barriers bewilder buffoons

Crazy character, constantly creating concontions
Catalyst, a cannabalistic rhymes conqueror
Correctly connecting, craniums crumble down
Consistent capacity

Done did that done did this diddle don
Domination don't dignify diction
Doin' it deep down dialect daring
Doomsday dut devastate during the duration

Extraterrestrial electrical, effortless
Eons of energy, everyone affected
Efficiently epitomize excellent
Extravagant elevate where the essence is

Blackalicious got funk for the future filling up fiends finally
Fabulous, furious, fatness, follow me
Niggers fall frequently, fact
Verbal felon fired up federally foundation fadin' all of this w
