

[Intro]

Hey
Leggo
BearTrap

[Verse 1]

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead

[Hook]

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb
So much to do, so much to see
So what's wrong with taking the backstreets?
You'll never know if you don't go
You'll never shine if you don't glow

[Chorus]

Hey now you're an All Star get your game on, go play
Hey now you're a Rock Star get the show on get paid
And all that glitters is gold
Only shooting stars break the mold

[Verse 2]

It's a cool place and they say it gets colder
You're burned up now, wait 'til you get older
But the meteor men beg to differ
Judging by the hole in the satellite picture
The ice we skate is getting pretty thin
The water's getting warm so you might as well swim
My world's on fire, how about yours?
That's the way I like it and I'll never get bored

[Chorus]

Baby, Hey now you're an All Star get your game on, go play
Hey now you're a Rock Star, get the show on get paid
And all that glitters is gold
Only shooting stars break the mold

[Verse 3]

Somebody once asked "Could I spare some change for gas?
I need to get my ass up out of this place"
I said "Yep, what a concept
I could use a little fuel myself
And we could all use a little change!"

[Hook]

Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb
So much to do, so much to see
So what's wrong with taking the backstreets?

You'll never know if you don't go
You'll never shine if you don't glow

[Chorus]

Baby, Hey now you're an All Star get your game on, go play
Hey now you're a Rock Star get the show on get paid
And all that glitters is gold
Only shooting stars break the mold

[Outro] (distorted)

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead
And all that glitters is gold
Only shooting stars break the mold
And all that glitters is gold
Only shooting stars break the mold
