

Anxiety

Blackbear

Yeah, yeah, yeah
Yeah, yeah

Every time you cross my mind, you get right under my skin
Am I crazy out my mind the situation I'm in
And it gets harder just to breathe, feel like the walls are closing in
But all I need is some closure

Yeah, I can't eat, I can't sleep, I get anxiety
When you're not here with me, I get anxiety
I can't eat, I can't sleep, don't know why you can't see
You give me, you give me, give me

Anxiet xiet-xiet xiet-xiet xiet xiety
Xiet-xiet-xiet-xiet
Give me anxiety
Anxiet xiet-xiet xiet-xiet xiet xiety-ty
Xiet-xiet-xiet-xiet
Anxiety

Every time I smile what I'm doing fine, does it show?
'Cause' I'm really freaking out, too scared of letting you go
Then my heart drowns out my thoughts, my head's about to explode
What I need is some closure

I can't eat, I can't sleep, I get anxiety
When you're not here with me, I get anxiety
I can't eat, I can't sleep, don't know why you can't see
You give me, you give me, give me

Anxiet xiet-xiet xiet-xiet xiet xiety
Xiet-xiet-xiet-xiet
Give me anxiety
Anxiet xiet-xiet xiet-xiet xiet xiety-ty
Xiet-xiet-xiet-xiet xiet-xiety
Anxiety

It feels way inside of me
Every time I smile what I'm doing fine, does it show?
'Cause' I'm really freaking out, too scared of letting you go

I can't eat, I can't sleep, I get anxiety
When you're not here with me, I get anxiety
I can't eat, I can't sleep, don't know why you can't see
You give me, you give me, give me anxiety

Anxiety
Give me anxiety
