

Bodybetter

Blackbear

I wanna know the things that turn you on
So I can be the one to do it right
Whenever you want it
I got it, I'm on it
Get it poppin'
Couple dollars throw it up in the air
money taller
you're a bad bitch, come to my crib
Imma beat that pussy good

Light a cigarette get the sheets wet
you bet imma do your body good
Yeah, and I like that
Imma do you right
Imma even fuck you in the morning
I can do you your body better
Do your body better
Imma do you right
Imma do you like that
Give it to me girl
Imma give it right back
You ain't tryin' to fuck
Say it to the nightstand
I can do your body better

Light a cigarette get the sheets wet
You bet imma do your body good
Light a cigarette get the sheets wet
You bet imma do your body good
Light a cigarette get the sheets wet
You bet imma do your body good
Good, good, good, good, good

God damn! When I see the shit shake
And I get a little bigger
When I'm looking at your figure
wanna grab that waist
Don't let it go to waste
Work you out like we trying to lose weight
Treat the sex like reps and a set
So you know we got our workout in for the day
Ok push it, touch it, lick it, suck it
All up in the zone with it
I know we're in a different state
But imma take you home with me
Tie you up kiss you down
You love when I'm controllin' it
Keep it in my face
Cause baby I ain't seeing nothing wrong with it

Sweatpants and some tips
Work you out like a gym girl
Do it better than he ever did
Well duh
Cause I'm way better than him ,girl
Make you sweat, she sweat
Let's get it

And your taking everything that I'm giving
Hit it nine times get it? cat nine lives
and that's just how I'm living
All this passion that I've yet to feel
Please tell me this is something real
You take care of me I'll take care of you
well, sounds like one hell of a deal
and its Mills

Light a cigarette get the sheets wet
You bet imma do your body good
Light a cigarette get the sheets wet
You bet imma do your body good
Light a cigarette get the sheets wet
You bet imma do your body good
Good, good, good, good, good

And I like that
Imma do you right
Imma even fuck you in the morning
I can do your body better
Do your body better
Imma do you right
Imma do you like that
Give it to me girl
Imma give it right back
You ain't trying to fuck
Say it to the nightstand
I can do your body better

Light a cigarette get the sheets wet
You bet imma do your body good
Light a cigarette get the sheets wet
You bet imma do your body good
Light a cigarette get the sheets wet
